

International WNF Training course

Honbu Dojo

Nanbudo Kaikan

Led by **Stéphane Carel Dai Shihan**

5th and 6th of October 2024

7 rue Larrey – 31000 Toulouse

Dear Nanbudoka, we are pleased to announce the next training course at the Honbu Dojo in Toulouse, 7 rue Larrey.

As previously announced, we will organize several training courses per year, as part of the WNF courses calendar, in this mythical place: the Honbu Dojo, the Dojo of Doshu, the Dojo which he inaugurated during an international training course in 2019 and the Dojo in which his presence shone in 2020.

The limited number of places available to 20 trainees forces us to set a high price, 80 €.

This financial participation is intended for the functioning of the Dojo and for the continuation of the publishing of the Doshu's books.

Following the training courses organized at Nanbudo Kaikan in the years 1990/2000 and the last training course in the presence of Doshu, training courses at the Honbu Dojo will be intensive with alternating theoretical and practical courses for all levels from beginners white belts to higher grades.

It will take place as follows:

Saturday 4th of October 2024: 9h-12h30 and 16h-19h followed by an possibility of a meal taken together for those who wish

Sunday 5th of October 2024: 9h-12h

The program is in preparation and will take into consideration the level of participants.

Nanbudo Passport and the license WNF 2024 is compulsory.

The training course price is 80 € excluding meals.

For pre-registration complete the registration form and send it back to: nanbudokaikan@worldnanbudo.com

Please note, the limited number of places available may not allow us to accommodate everyone.

We will send you confirmation of your registration as soon as possible so that you can make your transport and accommodation reservations.

Here is a small sample of possible hotels to help you organize your stay there. There are plenty of other possibilities.
